

REMARKS

The specification has been amended to incorporate the Sequence Identification Numbers. Also, submitted herewith are computer readable format and paper copies of a substitute sequence listing, along with the necessary Statement Under 37 CFR 1.821(f). This substitute sequence listing replaces any previous version of the sequence listing, and has been amended to include all the necessary sequences disclosed in the subject application. No new matter has been added by the amendment.

In view of the above amendment, applicant respectfully requests the issuance of a prompt and favorable office action.
